

Back Guards – BMW R18 B (Bagger) and Transcontinental

General information and comments:

1. Do not tighten the screws too tight, so as not to bend the handles and not destroy the elements (eg frame) of bike.
2. Remember that the guards are not designed to protect the driver and passenger, but to protect the motorcycle to a limited extent. Guards may be effective at low speeds.
3. Guards do not guarantee protection of the exhaust system.
